

## PRAYING THIS PASSAGE

Praying Scripture is a discipline that encourages the most profound kind of communication with God. It elevates His Word into “living and active” and so much more than just ink on a page. Take some time to pray the Truth we found on Mount Carmel, with Elijah and the work of Holy Spirit on full display.

### BE INTENTIONAL:

Present your full self to God – your time, talents and treasures – as a living sacrifice. Not haphazardly, but intentionally. Use this space to journal your prayer of pursuing God in these things. Consider how you might prepare a worthy sacrifice.

### STEP FORWARD:

Be unashamed – public and bold in your allegiance to Him. Has God been nudging you to be bold with a certain person or in a certain environment? Journal your prayerful heart on this. Name it. Share your fears with God. Ask for His boldness. Then step forward.

### SIMPLE PRAYER:

Construct a simple prayer, 1-2 sentences, to summarize the Be Intentional and Step Forward prayers (e.g., *Fill me up, till I overflow. I want to run over.*). Use this space to write your simple prayer. Breathe this prayer throughout your week.
